SONGBIRD SESSIONS

“It was a true honor and privilege to be part of the initial lineup of Songbird Sessions at the Long Island Game Farm. It was wonderful to be able to perform at such a magical venue where the true focus for both the performers and the audience, was the music, and the music alone. (Well, and also the occasional nature and wildlife sounds that added to the uniqueness of the venue).”

Bryan Gallo, 2025 Songbird Sessions Musician

SONGWRITERS IN THE ROUND

Presented in an In-The-Round format made famous by Nashville’s Bluebird Cafe, the artists perform their songs and connect the audience with the powerful stories behind them. Our audiences appreciate the unique opportunity to experience, up close, the creative talents of some of Long Island’s top Singer-Songwriters.

SONGBIRD SESSIONS NATIONAL TOURING MUSICIANS

We were pleased to present Adam Ezra Group, and Patty Larkin & Lucy Kaplansky in 2025. The summer evenings were delightful, the audience was pleased, and the animals entertained us pre-show.

We're looking towards more talent of unquestionable high caliber in 2026. Look forward to a line up that is rarely seen on eastern Long Island.

I had a wonderful time playing in the 2025 Summer Songbird Sessions at the Long Island Game Farm, the people who ran it were lovely, the sound was great, and the crowd was warm and attentive. Would love to go back!

Lucy Kaplansky, 2025 Songbird Session National Touring Artist
